Dear Zontians!

Now comes the fall season with leaf piles, winds and a nip in the air! Due to Thanksgiving, please remember that our dinner meeting is one week earlier - now on **Tuesday, Nov. 18th**! Call Sherry as soon as you can with your order (on the next page).

Robin worked some magic and the poinsettia orders are now also due at the meeting - thank you for getting the deadline extended Robin! **Everyone please bring your holiday plant order to the meeting!**

Please remember that we are looking out for new members! The Birthing Kit Assembly in January or our February meeting are great times to show a potential new member what we do.

Stay warm and see you all soon!

Regards, Donna

On 8 November 2014, Zonta International celebrated its 95th birthday. You are invited join the celebration by helping to change the lives of women around the world.

During November, the Zonta International Foundation is asking all Zontians to make an individual donation to the Foundation. As a Zontian, you have already made a personal commitment to build a better world for women. The projects and programs supported by the Zonta International Foundation help women achieve a life free of violence, and help them overcome gender barriers that hinder their access to health, education and professional advancement.

By making your personal donation to the Foundation this November, you will not only be reaffirming your commitment to Zonta International, you will also be making a lasting impact toward preventing gender-based violence, discrimination and reducing early marriage and early pregnancies. Please make your annual donation today, and join Zonta International in its mission to empower women.
